Weekly Bulletin 16th October 2020

Dear parent

We hope you are well. Here is another week's round-up of Roecliffe news....!

We have been busy bees this week!

Class 1 - We went for an autumn walk to observe the beautiful autumnal colours and made leaf rubbings. We performed our nursery rhymes to our parents brilliantly!

Class 2 - We have been learning about money and the coins and notes which we can use when we buy things. We have also been learning about algorithms in our computing lesson!

Class 3 - We have been applying our addition and subtraction skills to problem solving and have completed our Pompeii newspaper reports. We have used 'Chitty Chatty Check In Time' on a daily basis to check in on our wellbeing and to discuss any issues which may have cropped up during the day.

Class 4 - In art, we have been studying Henri Rousseau's 'Surprise' and have been sketching nature on the green. In maths we have been busy adding and subtracting fractions.

We continue to learn outside when possible so please make sure that your child has a warm coat at school everyday.
