Dear parent

We hope you have been enjoying the lovely weather as much as we have at school. Please read on for this week's updates.

Class teacher appointment

The wonderful Miss Barron leaves our school to teach in Vietnam this summer, so we have recently undertaken a recruitment process in order to appoint a fantastic teacher for Class 1 for September. I am very pleased to announce that from a strong field of 41 applicants, we have appointed Miss Lucy Smith who is currently teaching near York and is very experienced in leading and teaching in Nursery and Reception. Thank you and well done to our Class 1 children who helped us to choose our new class teacher. You were amazing throughout our recruitment day and we are very proud of you. We are currently arranging transition sessions with Miss Smith and she will be available to meet our Nursery parents before the end of the summer term.

Covid measures

Whilst the country is moving slowly along the Covid roadmap and measures are starting to relax, we would like to remind all parents that it is imperative that any household members who have symptoms of Covid continue to follow the Covid guidelines by self-isolating, notifying school and arranging a PCR test as soon as possible.

Into space and beyond!

Class 3 and Class 4 are daring to venture into space on Virtual Reality headsets on Monday 26th April. If you have not yet completed your parental consent or would like to make a contribution towards the cost of the event, please do this before 8am on Monday 26th April.

Bank Holiday Monday

Reminder - Monday 3rd May is a Bank Holiday and school will be closed on this day.
