**Weekly Bulletin 10.09.2021**

Dear parent

Well, what a wonderful first week back - calm classrooms full of happy children and the sun has continued to shine! The morning drop-off and afternoon pick-up routines have worked well and been very efficient - thank you to parents for your help with this. Class 2, 3 and 4 parents - please do feel free to come on to our school playground if you wish whilst waiting to drop off or pick up your child. The line of cones on the school playground are simply to zone the play area so that younger children are not bumped accidentally by the older and bigger children. Parents may walk through the line of cones on the playground to collect siblings.

## **Nikki Mitchell photos**

We are delighted that Nikki is back in our school on the following dates to take photos of our gorgeous children. Whilst we aim to stick to the following schedule, this will be weather dependent and may alter slightly depending on how quickly photographs can be taken.

Monday 20th September - Class 1 and Class 2

Tuesday 21st September - Class 3 and Class 4

Wednesday 22nd September 'mop-up' of pupils, staff and governors

Nikki will photograph your child in the morning (when they are slightly less dishevelled!) and would also like to use some of the images she takes on her Facebook page and Website. Please can parents complete the below short survey to let us know if you are happy for your children's images to be used.

## **Free Gardening Equipment for Schools**

Our school has registered for Morrison's 'It's Good to Grow' scheme so that parents and family members can collect 'Grow Tokens' as they shop. For every £10 you spend (in store or online) at Morrisons, you will get a Grow Token. Our school will then exchange these tokens for gardening equipment so that our children can enjoy growing and maintaining plants in our outdoor spaces. If parents wish to help us collect gardening equipment for school, they should download the MyMorrisons app to start collecting Grow Tokens and choose Roedcliffe as the school to donate their tokens to.

## **Eden camp - Class 4**

Our first school trip of the year is already underway as Class 4 children prepare to experience World War II at Eden Camp on Monday 20th September. Class 4 parents - please complete your consent and voluntary contribution by Sunday 19th September.

## **Extra-curricular clubs**

We are excited to announce that extra-curricular activities are once again offered to our pupils at 3.30pm. We are looking to increase our repertoire of after school clubs, so if you know anyone who could offer a club at our school, please let us know.

Please use the links below if you wish your child to take part in any of the following clubs -

Tuesday (after school) - Zen Warriors - <http://www.zenwarriors.co.uk/>

Thursday (after school) - York City Football - <https://officialsoccerschools.co.uk/yorkcity/year-3-6-roedcliffe-c-of-e-primary-school.html>

Roboodles continues to provide fantastic value for money childcare before and after school. Please contact Lianne or Claire at [roboodles@outlook.com](mailto:roboodles@outlook.com) if you wish to find out more.
