Weekly Bulletin 01.10.2021

Dear parent

Is it really October already?? Please read on for our news this week...

Whole school visit to St Mary's Church

All our children enjoyed a visit to St Mary's Church on Monday where we experienced a Collective Worship led by Rev Karen. We learned about the special features of the church and how to behave in this quiet and reflective space. Well done Roecliffe children - we look forward to visiting St Mary's regularly with you in the future.

Many thanks to the parents who were able to join us for our Class 1 Stay and Play session after the church visit. The Class 1 children loved showing off their classroom and outdoor provision to their mummies and daddies.

Open Sessions

We are looking forward to welcoming prospective parents on the following days and times:-
Monday 4th Oct - 6pm, Tuesday 5th Oct - 9.30am, Wednesday 6th Oct - 11am, Saturday 9th Oct - 10am - 12pm & Friday 15th Oct - 9.30am

If you know of anyone looking for a school place for their child, please direct them to this Facebook post where they can book onto any of the above viewings. -

Writing Masterpieces

It has been very exciting to look at the writing masterpieces which have been chosen for our Writing Gallery in our main corridor. Congratulations budding writers, we will share our winning masterpieces on the school website next week.

Covid

With positive Covid cases on the rise since schools re-opened in September, we ask that you remain vigilant regarding your child's health and that you take your child for a PCR test if they present any Covid symptoms (loss of taste/smell, high temperature and persistent cough.)

Individuals under the age of eighteen years and adults who have been vaccinated (double jabbed) do not need to take any action and do not need to isolate.

Please report to school in an email or phone call if your child has Covid symptoms and/or is isolating or has tested positive.

Hygiene routines have remained in place at school since the start of the pandemic and will continue to do so.

Animal Coop

Would any of our parents or friends and family be able to make use of this small animal/chicken coop? We no longer have use for it at school and would be free to a good home!
