Donation of plants

We have been smartening up the shrubs around our school grounds recently and would like to add a bit of colour around the perimeter wall. If you have any shrubs you can donate to school, we would very much appreciate including them in our gardening project. We have approached local businesses to support us with this project and any help from our parents, is gratefully received.

Values wristband

Our school values of Faith, Courage and Love underpin the ethos of our school. This term we are focussing on Faith in our Collective Worship and developing our understanding of how Faith in ourselves, in others and in God can help us in everyday life. Our five Roecliffe Positive Behaviours for Learning also help us to understand how we can be a more effective learner. The positive behaviour for learning linked to Faith is 'Active Participant'. Pupils who demonstrate faith and active participation are rewarded with a green Values wristband. These are very special rewards and presented to children when truly deserved. We are
