Dear parent / carer

We hope you have enjoyed the lovely weather this week. Please read on for our Roecliffe news!

### Phunky Foods

Welcome to Phunky Foods!

Phunky Foods provides schools with an Early Years and primary school programme of healthy lifestyle curriculum activities so that teachers can use the Phunky Foods training, resources and expertise to deliver lessons and activities to our children about healthy eating, cooking, mental wellbeing and physical activity.

After the Covid pandemic, we feel it is very timely that we encourage our children more than ever to be mindful of their health and wellbeing so we look forward to being involved with Phunky Foods from September in our D.T (food technology), science, PE and PSHE (Personal Social Health Education) lessons.

Phunky Foods will be attending our Sports day afternoon on Friday 1st July and will be available to offer our parents further information.

We are aiming to offer an after school cookery club in September with the support of Phunky Foods.

### **Roecliffe School weather Station**

Our school is very proud to announce that we now have a weather station which was purchased and installed using a grant from the Royal Society Partnership.

The Royal Society Partnership Grant provides funding for schools to run investigative Science, Technology, Engineering, Maths (STEM) projects in partnership with STEM professionals from academia or industry. Class 4 children have invited their parents to attend a meeting at school on Monday 20th June from 3pm to see what they have been up to with our new weather station and the STEM professionals we have been involved with. We look forward to seeing you there!

### **Dad's and Lads Pop Up Shop**

This week 56 excited children came to choose 85 gifts from our pop up shop in the hive for the 'Dads and Lads' in their lives! We hope you all have a lovely Father's Day whoever you're celebrating with!
