Dear parent / carer

Time flies when you're having fun! Only a week of this half term left to go!

- **Children's Mental Health Week (6th - 10th Feb)**

We are gearing up for next week when we celebrate Children's Mental Health Week with activities and events throughout the week in all of our classes. Mrs Barrett, who used to deliver Zen Warrior sessions at Roecliffe and now works in Class 1, will be visiting all our children throughout the course of next week and will teach the children some relaxation techniques and mindfulness. Helen Spencer, Lao and Temp'i's mum, will be showing us how to maintain positive mental health into our adult years. The Mental Health Champions will be promoting a positive mental health poster event with all the children and helping staff with a mental health display in school. On Friday we end our week with our Cosy Clothes Day!

- **Science Week**

Science Week for schools this year is 10th-19th March. The theme is Connections and our school will be taking part in fun, science activities throughout the week. Watch this space!
