- Islam Day

We loved our visit from Imran on Tuesday who taught us lots of interesting things about being a Muslim and the Five Pillars of Islam.

To quote just a few of our children's comments during feedback:

"I thought that Imran was very kind and now I know alot about Islam and the Muslim faith."

"I liked thinking about charity because if you give a small amount of money, there would be no more poor people in the world."

"I liked the story about the Five Pillars of Islam because it made me more interested and it made me want to learn more about it."

Please use the link to see the Islam day photos on our school blog.

- Congratulations to Roboodles!

In August this year, Roboodles were thrilled to announce that they had been nominated for and had won a North Yorkshire Partnership Achievement Award.

The awards take place twice a year with this years being hosted at the Pavilions of Harrogate on Friday 29th September.

The awards aim to celebrate the achievements of people who have helped improve the health, achievement, or safety of children and young people in the county, or whose work has helped improve their wellbeing and happiness. Roboodles works with @thepractical_nutritionistuk to help to fulfil their healthy eating promise. We work hard to deliver varied, affordable, tasty and healthy food. We promote independence, healthy choices and will continue to bang the drum about brushing teeth!

On Thursday 26th October, we will host our Popcorn & PJ Night. If you would like further information or to book in, please email roboodles@outlook.com
