Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office by completing the class register on Arbor. This should be carried out accurately by 9am and 1pm prompt.

School admin staff

School admin staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents to the class teacher/headteacher in order to provide them with more detailed support on attendance

Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day

Pupils

Pupils are expected to:

- Attend school every day on time

Recording attendance

Attendance register

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session (8.50-9am) of each school day and once during the second session (1pm). The attendance register is held on the school's management information system (MIS) which is currently Arbor. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment

- The date on which the amendment was made

The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.50am on each school day.

The register for the first session will be taken at 8.50am and will be kept open until 9am. The register for the second session will be taken at 1pm.

Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by 9am or as soon as practically possible by calling the school admin staff on 01423 322302 or emailing office@roecliffeschool.co.uk (see also section 7).

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment. Parents should provide school with proof of the appointment such as a letter or text message or email.

Parents should request leave of absence for their child by completing a leave of absence request form available on the school website or on request from the school office. Authorised leave of absence will be agreed only in exceptional circumstances.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Lateness and punctuality

A pupil who arrives late:

- When the register has closed at 9am will be marked as late, using the appropriate code

Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school will make a home visit. Please see Appendix 2 Pupil Absence protocol.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer

Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels through termly attendance reported by our school MIS, Arbor. A yearly attendance report will also be issued with children's academic reports.

Authorised and unauthorised absence

Approval for term-time absence

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The following are examples of the criteria for leave of absence, which may be considered as 'exceptional':

- Service personnel returning from active deployment
- Where inflexibility of the parents' leave or working arrangement is part of the organisational or company policy. This would need to be evidenced by the production or confirmation from the organisation/company
- Where leave is recommended as part of a parents' or child's rehabilitation from medical or emotional problems. Evidence must be provided
- When a family needs to spend time together to support each other during or after a crisis

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school website or the school office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments.
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart

Extended Leave

When a child is absent from school for an extended period (i.e 15 school days or more) parent/carer should advise the school of the temporary address

Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

Attendance monitoring

The school monitors attendance of pupils using the school's MIS, Arbor, and also the FFT attendance analysis tool.

Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average, and share this with the governing board.

Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Using data to improve attendance

The school will:

- Provide regular attendance reports to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance

Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum each year by Lesley Briggs (Headteacher). At every review, the policy will be approved by the full governing board.

Support

The school will:

- Build relationships with students and families to encourage regular school attendance.
- Analyse and use data and relationship knowledge to prevent regular absence.
- Using resources (School based and external services) to intervene early with support.
- Use targeted support for persistent/severe absences.

Appendix 2 – Pupil Absence Protocol

Protocol for entering the school at the start of the day

At 8.45am The single gate and double gates are unlocked and opened by staff members. Year 5 and 6 pupils may be left by parents to wait on the school playground until the whistle is blown at 8.50am. Parents of other children should remain with their child/ren until a staff member collects the class at 8.50am.

At 8.50am The whistle is blown to indicate that the children should line up and walk into school with a staff member. At 8.50am the pupils are the responsibility of the school. The single gate is closed and locked shortly after 8.50am. The double gate will be closed and locked after the nursery pupils have arrived at 9am.

Nursery children enter the double gate at 9am to start their day and are collected from the double gate at 3pm.

The register closes at 9am. The School Administrator prints off a daily attendance report showing pupil numbers in case of a fire emergency/evacuation. This is held for the day in the black signing in/out folder held in the office.

In addition to this, a staff member in each class records the number of pupils present on the classroom laminated poster. This shows clearly how many pupils are present at school in each class in the morning session and in the afternoon session.

If a child is not registered at 9am and is late

Pupils who have no previously arranged appointments arriving after the school gates have been closed at 8.50 am and are not registered at 9am are considered to be late. Staff will record the pupil as arriving late on the school's MIS, Arbor. The number of minutes late will also be recorded.

If a child does not attend school without prior notification

At 9.15 am the School Administrator will call the parent of any pupil who has not arrived at school if the school has not been given prior notification of a planned absence or if the school has not been notified that the child is absent and the reason for this.

The School Administrator will inform the Head Teacher if he/she is unable to make contact with the parent by phone or by email by 9.45am. At 9.45am two staff members will travel to the pupil's home address to check on the pupil's whereabouts. If the pupil is at their home address, the staff members will check on the child's welfare and remind the parent to notify the school of their child's absence in future. If there is no-one present at the child's home address, the local police will be contacted.

All pupils who leave the school site at times other than 3.30pm, must be signed out by a parent/relative and copies of letters for medical appointments should be shared by parents with the school. Pupils who arrive at school later than 9am should be signed in by the parent, whether this be due to a late arrival at school or due to a previous appointment. In the case of children leaving or arriving at school other than the usual dropoff and pickup times, the number of pupils present in that class should be altered on the classroom laminated poster. Staff members leaving or arriving at the school site earlier or later than their normal working hours should also sign in or out using the black folder in the office.

Children missing education

In the case of children being absent from school because they are 'missing education', Roecliffe CE Primary School will follow the NYCC Children Missing Education policy.
